

The Budrovich Companies, located in St. Louis, MO., seeks a full-time Field Safety Specialist. This position requires a degree in a safety or construction related field or 5 years of field safety experience. This position reports to the Vice-President of Safety & Risk Management and is involved with all aspects of day-to-day safety operations.

The position entails:

- Conducting field jobsite inspections
- Working with Project Managers to pre-plan and anticipate potential hazards and develop preventative measures.
- Investigate incidents and near-miss opportunities
- Assist in the development and presentation of educational programs

Candidates must:

- Be willing to work in civil construction, industrial and maritime worksites.
- Able to manage time and resources effectively.
- Have excellent communication and interpersonal skills.
- Have a strong computer knowledge and ability to adapt to and learn new software.
- Willing to work 40+ hours and weekends as needed.

Compensation:

- Compensation is dependent on experience
- Excellent benefit package
- Candidates must be able to pass background screening and possess a clean driving record.

Candidates should send their resume along with salary requirements to [pwineburner@budrovich.com](mailto:pwineburner@budrovich.com).

Founded in 1945, Budrovich has grown from a small excavating contractor into the fields of Crane Rental, Heavy Rigging, Marine Construction and Commercial/Industrial Insulating, rebar installation and structural steel erection.

Budrovich provides equal employment opportunities to all employees and applicants for employment without regard to race, color, religion, gender, sexual orientation, national origin, age, disability, genetic information, marital status, status as a covered veteran and any other category protected under applicable federal, state, and local laws.
