

**Advantage Metals  
Recycling**

a **NUCOR** company

---

# WISH MORNING TOUR

---

**What:** Join us for a tour of Advantage Metals Recycling (a NUCOR company). We'll hear from Safety Engineer, Michael Dean, CSHO about the work their company does, some of their safety challenges, and the ways Michael keeps his team safe.

**When:** Thursday, March 28, from 9a-11a

**Where:** Advantage Metals Recycling | 5 North Market St. 63102

**Important to know:** Please wear safety-toed shoes, safety glasses, hard hat, high visibility vest/clothing, and hearing protection. If you do not have access to this PPE, please let Domini know.

**RSVP:** to [Domini](#) or text: 314-365-1797
